## **Introduction**

Following the issue of results, awarding bodies make post-results services available.

The JCQ post-results services currently available are detailed below.

### **Access to Scripts (ATS):**

- Copies of scripts to support reviews of marking
- Copies of scripts to support teaching and learning

### **Reviews of Results (RoRs):**

- Service 1 (Clerical re-check) - This is the only service that can be requested for objective tests (multiple choice tests)
- Service 2 (Review of marking)
- Priority Service 2 (Review of marking) - This service is only available for externally assessed components of GCE A-level specifications (an individual awarding body may also offer this priority service for other qualifications)
- Service 3 (Review of moderation) - This service is not available to an individual candidate

### **Appeals:**

- The appeals process is available after receiving the outcome of a review of results

## **Purpose of the procedures**

The purpose of these procedures is to confirm how Stone Lodge Therapeutic School deals with candidates' requests for access to scripts, clerical re-checks, reviews of marking, reviews of moderation and appeals to the awarding bodies in compliance with JCQ regulations (GR 5.13).

Details of these procedures are made widely available and accessible to all candidates by the issue of a candidate exam handbook, information on the school website and in the result envelopes.

## **The arrangements for post-results services**

- Candidates must be made aware of the arrangements for post-results services prior to the issue of results (GR 5.13)
- A review of moderation cannot be undertaken upon the work of an individual candidate or the work of candidates not in the original sample (PRS 4.3)
- The appeals process is available after receiving the outcome of a review of results (PRS 5.1)

At Stone Lodge Therapeutic School:

- Candidates are made aware of the arrangements for post-results services prior to the issue of results
- Candidates are also informed of the periods during which senior members of centre staff will be available/accessible immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking (GR 5.13, PRS 4.1)

Candidates are made aware/informed by the issue of a candidate exam handbook, information on the school website and information sent about results days by letter/email to students and parents/carers.

Full details of the post-results services, internal deadline(s) for requesting a service and the fees charged (where applicable) are provided by the exam officer, on results day following the issue of results. Details are also available on the school website.

## Dealing with requests

- All post-results service requests from internal candidates must be made through the centre (GR 5.13)

At Stone Lodge Therapeutic School the process to request a service is by completing a review of results form and returning it to the exams officer.

## Candidate consent

- Candidates must provide their written consent for clerical re-checks, reviews of marking and access to scripts services offered by the awarding bodies after the publication of examination results (GR 5.13)

Stone Lodge Therapeutic School will:

- Acquire written candidate consent (accepting informed consent via candidate email) in all cases before a request for a clerical re-check, a review of marking or an access to scripts service is submitted to the awarding body
- Acquire informed candidate consent to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded
- Only collect candidate consent after the publication of results
- Retain consent forms or e-mails from candidates for at least six months following the outcome of a clerical re-check or review of marking or any subsequent appeal (PRS 4.2)
